**Which year(s)?**

## Project Summary

Please specify the grant amount requested:

## Project Type

- Preservation or rehabilitation
- Design, assessment, or planning
- Documentation, research, or historical designation
- Advocacy or awareness
- Education or interpretation

## Brief Project Description

## Full Project Description

In detail, describe the overall project for which you are seeking grant support. Be sure to include how the Valerie Sivinski Fund grant award specifically will be used.

How will your project provide community benefit and/or increase public access?

Does your project explore or support the histories of marginalized or underrepresented communities? If so, please describe.

## Letters of Support

## Project Planning

### Project Timeline & Readiness

Project phase	Proposed starting date	Proposed completion date	Ready to proceed?

If you indicated you were not ready to proceed on any of the project phases, briefly explain why and indicate your plan for becoming ready to begin by your proposed start date.

### Project Budget

Expense/item	Related project phase	Estimated cost	Funding source	Funds committed?

### Estimated total project cost

If you indicated funding was not currently committed for any expenses or items (other than those for which you have indicated for Sivinski Funds), briefly explain your plan for securing the funds before your proposed start date.
